Kershaw County Library
Display / Distribution of Materials Policy
Adopted by the Board of Trustees, May 9, 2013

Non-library related information is displayed/provided in designated areas only. This service is primarily intended to promote events and distribute information of benefit to the community.

Commercial announcements (items for sale, services, etc.) and material related to political or governmental issues must be approved by library management.

Information related to political or governmental issues must be informational in nature. No political material that is purely promotional, such as campaign material for an individual candidate or party, is permitted. The source of publications must be clearly identified.

The library management, in its sole discretion, reserves the right to decline posting inappropriate material
